

Shreya Gupta

shreya.gupta35@example.com | +91 9845046288

Profile

Data science student.

Core Competencies

Python, scikit-learn, pandas, NumPy, PyTorch, Matplotlib, SQL

Academic Projects

House Price Prediction | Python, scikit-learn, pandas

- Trained gradient boosting and linear regression models on 20k listings with feature engineering in pandas
- Tuned hyperparameters with cross-validation and reached an R2 score of 0.89

Plant Disease Classifier | Python, PyTorch

- Trained a ResNet CNN on 50k leaf images with data augmentation, reaching 96% accuracy

Professional Experience

Data Science Intern, RetailCo | Jan 2024 – Jun 2024

- Built a churn prediction model with scikit-learn and pandas, presented insights to leadership

Education

B.Tech Computer Science, Example Institute of Technology | 2022 – 2026 | CGPA 8.8
